

Chimpanzee Sanctuary Northwest 2010 Auction Individual Sponsors Benefits

Chimpanzee Sanctuary Northwest is home to seven chimpanzees released from biomedical research after years of living in a windowless basement.

The chimpanzees now live at a sanctuary in the mountains of Cle Elum, WA where they are cared for by primate specialists. Their days are filled with enriching activities, play, food, and love. We have witnessed their transformations from pale and aloof to healthy and confident, and we continue to see improvements every day.

Last year we held our inaugural gala auction event in Seattle. It was so successful and so fun, we are doing it again! We hope you'll consider helping the chimpanzees by underwriting a portion of this year's event. The chimpanzees will directly benefit from your generosity - last year, a portion of the funds raised from the event went towards completing a "greenhouse" winterization project which allowed the chimpanzees to use their outdoor space even during inclement weather.

8 reasons why you should sponsor this event.

Because of sanctuary supporters like you:

1. **Negra** has her beloved blankets.
2. **Foxie** has more troll dolls than most avid collectors.
3. **Burrito** food grunts every single day.
4. **Jody** can truly relax.
5. **Missy** is almost always a running, leaping blur with a playface.
6. **Annie** has Missy, a best friend she can be with always.
7. **Jamie** has lots of things to do to keep her busy mind occupied.
8. **We'll be raising funds at the event for a very exciting project that will benefit all of the chimpanzees at the sanctuary.**
